Dear Club Representative,

Men's Southern League Division Four (West), Match Four – Saturday July 11th

Please note that there has been a change of venue for this match. It was to have been a Belgrave "home" match at Watford but it will now be held at **Kingsmeadow**, Kingston, where we will be sharing the arena with a Division 3 (South) match. The standard double men's timetable will therefore apply.

The address for the track is: Kingsmeadow Athletics & Fitness Centre, Kingston Road, KINGSTON UPON THAMES KT1 3PB. Tel: 020 8547 2198.

The entrance to the track is situated on the A2043 between Kingston and New Malden.

I've enclosed a map showing the track location. Further details can be found on the internet at: <http://www.runtrackdir.com/details.asp?track=kingston> and there is a link to this letter and map from the Belgrave website – www.belgraveharriers.com.

We look forward to seeing you on the day.

Yours,

Belgrave Harriers
