### BRITISH ATHLETICS LEAGUE POINTS RANKINGS 2008

Seven of our A team athletes were to miss this season due to injury. Add to that the fact that only one front line sprinter survived Match 1 and the drop to National League 1 was almost inevitable. A brave fight in the last match almost succeeded in keeping us in the Premiership but a dearth of throwers sealed our fate. Particular mention to Gary Wilson who is jumping in to top form and is finally fulfilling the promise of his junior days. To see what effect this years points totals have had on our all time Rankings visit our All-time points scorers list.
