BRITISH ATHLETICS LEAGUE POINTS RANKINGS 2009

Our smallest ever BAL squad of just 39 athletes managed to dominate National Division 1 with Mark Allen, James Ellington, Set Osho, Jody Chappell and Matthew Morgan supporting all four fixtures. Our return to the Premiership may prove fraught unless more of our senior athletes support the re-strengthening campaign and new talent emerges. Having said that a number of our stalwarts took advantage to secure massive points for the team and in so doing moved rapidly up our table of all-time point scorers. New team members shown in **red**
